

## WHAT IS Q-LINK®?

Q-Link® is the most advanced personal energy system in the world and is designed to clarify, support and enhance your personal and natural energy systems or bio fields.

### WHY DO YOU NEED Q-LINK® AND HOW DOES IT WORK?

Research has shown the state of your bio field or life force remains central to your health and wellness. If your bio field is strong and fluent you feel vibrant and alive. While a weak or blocked bio field

makes you feel fatigued and dull. Q-Link® products help recharge and balance your personal bio fields. The subtle energy which your body naturally emits is enhanced and clarified through Q-Link® Sympathetic

Resonance Technology™ (SRT3). A crystalline disc, which is hermetically sealed, and surrounded by a copper inductor acts naturally to amplify your energy. Think of Q-Link® like your personal tuning fork working to strengthen and clarify your bio field and help fight off all the negative and outside stressors that affect your energy.

### WHERE WILL YOU SEE Q-LINK®?

The success of Q-Link® has developed very organically. In recent years, the product has made its way to chiropractors' offices, mind-

body clinics, professional golf tournaments, athletes, and even on rock music tours. Q-Link<sup>®</sup> has been spotted on celebrities, yoga teachers, rock stars, massage therapists, business owners, athletes, moms, and urban trendsetters.

## HOW DO YOU USE THE PRODUCT AND WHAT CAN YOU EXPECT?

It's simple; just wear the Q-Link<sup>®</sup> pendant around your neck, positioned at the center of your chest, inside or outside your clothing.

There are no batteries or parts to wear out. It can be worn all the time; from work-out to shower. The changes you will feel range from subtle to dramatic. Most Q-Link<sup>®</sup> wearers notice effects increasing up to 30 days, at which point 80% report positive benefits. The most common reports are described as feeling more energy, increased mental clarity, less stress, and a greater zest for life.

I can't wait for you to try Q-Link<sup>®</sup>. I have been wearing mine for years!
